NYU STERN ABU DHABI

Stern at NYUAD Executive MBA

A top US business school EMBA tailored to the dynamic, fast-growing MENA region.

WHO IS THE EXECUTIVE MBA FOR?

The Stern at NYUAD Executive MBA is designed for experienced working professionals across the UAE, MENA region, and beyond. Built on over a century of Stern's academic leadership and integrated with regional business expertise, this part-time program delivers a rigorous curriculum from a top US university tailored to the unique opportunities of the Middle East.

With a flexible structure, immersive global residencies, a thriving alumni network, and a regionally relevant curriculum, the program empowers high-potential leaders like you to scale your impact globally – without pausing your careers.

To apply, applicants must have at least six years of post-bachelor's work experience and should be employed. Strong candidates will possess high intellectual ability, superior interpersonal skills, current or high potential for future leadership, and a desire to create value for business and society.

BENEFITS OF OUR EXECUTIVE MBA

- Your Executive MBA will be jointly conferred by NYU Stern and NYU Abu Dhabi, providing you with access to nearly 700,000 alumni in more than 180 countries.
- You will take courses in our employer-friendly, convenient learning format that fits your schedule, with less disruption to your day-to-day role.
- You will experience the same academic rigor in this EMBA as all NYU Stern degree programs, while gaining a deeper regional context.
- You will build global leadership experience and your understanding of international markets with four global residencies – two in Abu Dhabi, one in NYC, and one in Shanghai.
- You will create immediate impact by applying your learning to your target sector, venture, or current role in this rapidly growing region.

Stern at NYUAD Executive MBA

A FORMAT THAT WORKS FOR BUSY PROFESSIONALS

The Stern at NYUAD Executive MBA is a 23-month, part-time program. Teaching takes place for three days each month at our Abu Dhabi campus, on Friday, Saturday, and Sunday. This convenient format provides you with the flexibility you need to be away from your current job and other commitments. In addition, there are four one-week global residencies at each of NYU's global degree-granting campuses – two in Abu Dhabi, one in New York, and one in Shanghai, enabling meaningful connections with your peers and unmatched, exploratory international experiences.

A COMMUNITY IN ABU DHABI

You'll take classes at our vibrant, state-of-the-art campus in Abu Dhabi, where Stern at NYUAD offers a fully immersive university experience. Our campus is purpose-built and expansive, featuring world-class academic facilities, cutting-edge technology, collaborative workspaces, and a full suite of student and faculty amenities. Our environment is designed for executive-level learning and meaningful engagement.

SCHOLARSHIPS AND FUNDING

An Executive MBA is one of the biggest investments you can make for your future. Talk to us about how you can finance your studies either through our competitive, merit-based scholarships, making the case for employer sponsorship, or loans and grants.

BENEFITS FOR EMPLOYERS

- **Upskill your Employees**
  The Executive MBA provides employers the opportunity to upskill their existing executives without requiring extended time away from the workplace.
- **Immediate ROI**
  Topics and skills gained by employees each class weekend can be applied immediately in their day-to-day work. You don't have to wait until the EMBA is completed to benefit.
- **Signature Project**
  Students work on this project during the EMBA program, providing and executing on solutions they develop to address a strategic problem faced by the student's organization. Partner with us to benefit from the world-class solutions proposed by these projects.

Connect with us to discover how collaborating with Stern at NYUAD can support and accelerate your boldest business objectives.
